# Nara University of Education Junior High School

奈良教育大学附属中学校

# Mission Statement (revised in 1968)

## Our Vision

- We observe the spirit of the Constitution of Japan and have based our goals on the Fundamental Law of Education.
- We learn from our past, strive for excellence in the present, and foresee a brilliant future for our school and its graduates.
- We stress the development of originality and creativity.
- We refer to our objectives as a guide to improve our daily practice.

## Our Objectives

- We shall nurture our students in hopes that they become upstanding citizens who:
- value truth, responsibility, freedom, and peace, and respect both themselves and others.
- encourage and help each other, leading to a stronger community and a better world in general.
- understand the fundamentals of learning and scientific method, and thus be able to pursue their own higher education in an increasingly complex and technological world.
- have a zest for life, and live in a healthy and active manner, with strong mind and body.
