Please, note that as from 1 September 2018, the French Social Security (Sécurité Sociale - health insurance) is free of charge for all students.

Here are some instructions for exchange students in France:

- **EU-nationals must request their EHIC (European Health Insurance Card) and make sure it is valid throughout their entire stay;**

- **Non EU-nationals may choose from:**
 - **Keeping their private insurance purchased in their home country/home university, as long as it includes an international policy;**
 - **Requesting a free of charge membership to the French Social Security upon arrival. Students can only become French Social Security members if they are fully registered at our university and if they have provided a copy of their Birth Certificate and their Residence Permit**

- **Students from Quebec must provide the RAMQ (Régie de l'Assurance Maladie du Québec) form SE 401-Q-106**

Your students will be given detailed information on how to deal with French Social Security membership and medical fees refund during the Welcome & Integration Meetings upon arrival in Lyon.
