# A YEAR OF SOLIDARITY

Launched in January 2021 by the new presidential team of Jean Moulin Lyon 3 University, the “**2021 – Lyon 3 year of solidarity**” action plan aims to combat the various forms of hardship that affect students.

Several emergency measures and aids have been put in place since January, with the dual objective of responding to the emergency and, more broadly, of taking into account the living conditions of students, who have been particularly affected by the health crisis.

## EXAMPLES OF MEASURES PUT IN PLACE AT THE UNIVERSITY IN 2021 TO FIGHT AGAINST

- 📌 **Digital hardship** – assistance schemes for the purchase of computer equipment, the loan of laptops, and assistance with connection ;
- 📌 **Financial hardship** – emergency assistance to finance transport costs or unpaid rent ;
- 📌 **Period poverty** – the distribution of free menstrual underwear and the installation of 20 distributors providing free organic cotton sanitary pads ;
- 📌 **Food poverty** – the University’s student associations have proposed various actions to help students during the Covid-19 health crisis. A solidarity grocery shop will also open in September 2021 on the Manufacture des Tabacs campus.

COVID-19
