The first case of Coronavirus (COVID-19) was confirmed

One of Nara University of Education's student (a man in his twenties, living outside of Nara-ken) was confirmed to have infected with Coronavirus(COVID-19) in the evening on July 14th.

He came into the University only on July 2nd (Thu) for some paperwork. According to the investigation conducted by a public health care center, there are no people who had close contact with him at our university.

We wish him feeling better soon, and we are committed to keep working hard in order to prevent the spread of Coronavirus(COVID-19) through the task force of Nara University of Education in accordance with policies of the central government and Nara prefectural government.

*Thank you for your understanding and consideration for respecting human rights of the infected student and his family as well as protecting their personal information.
